The NJ Election Law Enforcement Commission limits contributions from individuals to \$2,600 per person per election cycle. NJ Election Law requires political committees to use best efforts to report the name, mailing address, occupation, and name of employer of individuals whose aggregate contributions exceed \$300 during an election cycle.

NJ Election law prohibits contributions to the campaign committee from the general treasury funds of a corporation, labor organizations or national banks, from any person contributing another's funds, or from a foreign national who lacks permanent resident status. Contributions are not deductible for Federal income tax purposes.
